

Information for Parents & Teachers

Le Concours d'art oratoire is an annual public-speaking event for Ontario students in Grades 9 through 12 studying French Second Language in Ontario schools. This event is sponsored by Canadian Parents for French (Ontario) and the Ontario Modern Language Teachers' Association.

Students in Grades 9 through 12 participate in a competitive *concours* with cash prizes and scholarships.

Notes for Students and their Guests

- **Students can bring their parents, grandparents, other family members, teachers, and friends to watch them give their speeches.** Speeches take place in individual rooms where students are grouped with other students in the same grades and categories.
- **At each classroom, student room monitors will indicate when it is appropriate to enter and leave the room.** Please respect their directions to enable a good experience for all participants and guests.
- **All participants must remain in the classroom for the entire event,** to share the experience of the other speeches.
- Parents and other guests may move in and out of the event rooms **but only between speeches, in order not to disturb the speakers.**
- **Schedules are subject to change.** Events may move along faster or slower than expected. Those wishing to hear a particular speaker should remain in the classroom in order not to miss that speaker.
